

Aatiffa Farhana A

Madurai, Tamil Nadu -625016 | 8015311395 | aatiffafarhanaa@gmail.com

Objective

Dedicated and motivated Computer Science undergraduate with a strong foundation in programming, data analysis, and software development. Eager to gain hands-on experience in practical environments and contribute to innovative data-driven projects. A fast learner with excellent critical thinking, time management, and teamwork skills.

Education

B. E. COMPUTER SCIENCE AND ENGINEERING | MAY 2027 | VELAMMAL COLLEGE OF ENGINEERING AND TECHNOLOGY

CGPA: 8.23

HSC | MAY 2023 | SIVAKASI NADARS MATRICULATION HIGHER SECONDARY SCHOOL

Percentage: 88.83%.

SSLC | MAY 2021 | SIVAKASI NADARS MATRICULATION HIGHER SECONDARY SCHOOL

Percentage: All Pass.

Technical Skills

- **Programming Languages:** Python (Pandas, NumPy, Matplotlib)
- **Database & Querying:** SQL (SQL Workbench)
- **Data Analysis & Automation:** Excel, KNIME
- **Data Visualization:** Power BI

Projects

AI Tutor – Personalized Learning Assistant

- Developed an AI system to deliver personalized study recommendations based on user inputs.
- Designed features for study plans and resource suggestions.
- Applied data handling and recommendation logic in a real-world application.

AI Resume Ranker

- Built a resume ranking system using AI techniques.
- Compared resumes with job descriptions for skill matching.
- Improved candidate evaluation through automated analysis.

Internship

AI & Machine Learning Intern - Reccsar Pvt. Ltd. | June 2025

- Completed a 1-month internship focused on Artificial Intelligence and Machine Learning fundamentals.
- Gained hands-on experience in data analysis, preprocessing, and basic model development using Python.
- Implemented simple ML projects to understand real-world applications of AI concepts.
- Developed foundational knowledge in supervised learning and problem-solving techniques.
